# 5 REASONS WHY YOU SHOULD CHOOSE ŠPORT LJUBLJANA FOR YOUR EVENTS, SPORTS AND SOCIAL GATHERINGS

## 1. Ljubljana - a city with a green soul and a hidden pearl of Europe

Ljubljana, often described as the hidden jewel of Europe, is a beautiful and picturesque city surrounded by greenery. The lush canopy of mighty trees decorates the city, and the Old Town is characterised by its exceptional architectural appearance. The town centre is closed to motor traffic and flows into a beautiful historic centre that functions as a cosy living room.

The city is crowned by a medieval castle atop a hill in the middle of the city, and it is spread out along the green riverbanks of the Ljubljanica. A wide range of activities, tourist attractions, and cultural monuments are located within a short walking distance. Ljubljana is the political and economic heart of Slovenia, which gives the city an exciting flavour. Additionally, numerous universities provide a vibrant student life.

All Šport Ljubljana event and sports facilities are located close to the city centre. You are more than welcome to visit and organise your events in our beautiful city of Ljubljana - the Green Capital of Europe 2016!

# 5 REASONS WHY YOU SHOULD CHOOSE ŠPORT LJUBLJANA FOR YOUR EVENTS, SPORTS AND SOCIAL GATHERINGS

## 2. A wide choice of venues

Šport Ljubljana manages more than 100 sports and event facilities owned by the Municipality of Ljubljana, which are the perfect choice for your outdoor and indoor events. In close proximity to the biggest architectural landmarks, close to the city centre, there are numerous opportunities for sport, socialising and entertainment.

## 3. A compact and manageable city

Most of the sports facilities and hotels of Šport Ljubljana are situated near the city centre, which makes them easily accessible on foot. As a result, there is no need to arrange for any special transportation. Additionally, the city centre can also be conveniently reached via a well-connected network of bus and taxi services.

## 4. Truly wonderful people

Slovenians are commonly regarded as warm and open-minded people. We possess a good command of foreign languages and are helpful and genuinely hospitable. The backbone of our destination is made up of dedicated professionals with a strong network of contacts in all segments of the meetings industry. At Sport Ljubljana, we are well aware of this fact. Many of our clients point to this as one of our greatest strengths.

# TIVOLI PARK

Tivoli Park boasts a range of sports facilities that have a rich history and tradition. These include the Tivoli Hall, the Tivoli Swimming Pool Complex, the Tivoli Tennis Centre, as well as outdoor sports areas.

Tivoli Hall has been the largest event venue in Slovenia for many years. The sports hall was constructed in 1965 and hosted its first two events in the same year - a concert by Louis Armstrong and the World Table Tennis Championships. In 1986, the hall set a record for the largest number of visitors when it hosted a concert by the British band Dire Straits, with 8,000 attendees.

### #PODAMDAIGRAM BASKETBALL COURT

In 2019, we, in collaboration with Goran Dragić, one of the best Slovenian basketball players of all time, introduced the first smart basketball court in Slovenia. The court is designed to integrate physical activity with educational content.

The most notable feature of the court is the information boards that display basic and advanced basketball drills created by Goran Dragić himself. These drills are interactive and can be accessed through an online sports-education platform using QR codes. The primary objective of the platform is to merge sports, education, and entertainment by providing various sporting and educational content through modern web and mobile tools.

## Outdoor sports areas

### TIVOLI SKATEPARK

A skate park was built in 2019 behind the Tivoli Swimming Pool Complex. It spans an area of 800 square meters and has a total facility area of 150 square meters. The park adheres to Olympic norms applicable to this type of playground. Timotej Lampe Ignjič, Slovenia's top skateboarder, was involved in the park's conceptual design. By constructing the park, we have given young people another place to enjoy their leisure time.

### ROLLER RINK

There is a roller-skating rink in Tivoli Park, located between the tennis courts and the entrance to the Tivoli Swimming Pool Complex. This rink is meant for both experienced and novice skaters. There are benches adjacent to the rink that provide a comfortable spot to take a break, enjoy a refreshing drink or grab a snack from a nearby café.

### OTHER SPORTS AREAS

Bowling green, football pitch, volleyball court, handball/football court, basketball court, 3 badminton courts, tennis practice wall, bike park.
